Forget Outwit, Outplay, Outlast...Do you have enough Persistence, Patience, Point and Passion to perform at the peak? Don't let the pressure get to you as people count for points too! (We promise to take no prisoners...)

Prize to be awarded for the Top Versatile Vizsla Victorian! (Awarded at the conclusion of the Saturday Pot Luck!)

We encourage and appreciate Owners. A bonus point will be offered for each category that has an owner completing the task. We also realize that not all dogs qualify for every category, which is why we have attempted to make them each varied and for dogs of different skill sets. Because of this, there will be no separate options for animals that currently don't qualify for any of the categories because of age or being altered. The Versatile Vizsla Victorian is for fun and to have fun and laughs with your peers.
